Whitepine School District Parents and Students:

The Whitepine School District buildings will remain closed until at least April 19, 2020, as a result of actions by the Idaho State Board of Education and by the Idaho Governor to help combat the COVID-19 Coronavirus Pandemic.

We understand that our students have many needs during this time, and we will be implementing a plan to meet those needs.

The schools are off limits to anyone but staff members by arrangement.

Food will be available at four drop sites resuming Monday, April 6. If you have questions, or a unique situation in which it is impossible to make a drop site, yet still need food, please call your school office during the mornings. Food will be available to all students 1 – 18 years old.

**Food and Instructional Material Pick Up Locations:**

Due to the large number of students at each location, specific times have been assigned to each grade. The schedule can be found on our website. www.sd288.k12.id.us
